Rev. Barnum to Discuss 'Creative Principle' Sunday

The "Creative Principle" is the sermon topic of Rev. Earl Barnum for Sunday at the Church of Religious Science, Redondo Beach.

As stated by Rev. Barnum, "God has presented each of us with an efficient set of tools and that set consists of our thoughts and our willingness to manipulate them in certain paths. In order that our minds should yield to us the abundance that will nourish and enrich our lives, we will have to cultivate our thoughts, sharpen our tools, for our thoughts go before us making our way smooth or rough."

Christian Science Sunday Text Will Be 'Unreality'

The Christly method of casting out that which is foreign to God's nature is considered in the Sunday Lesson-Sermon on "Unreality" in all Christian Science churches. The local church is located at 218th street and Manuel avenue.

This declaration from Matthew (7-19) is the Golden Text: "Every tree that bringeth not forth good fruit is hewn down, and cast into the fire."

The Scriptural selections include Paul's counsel to the Ephesians: "Be ye therefore followers of God, as dear children. . . And have no fellowship with the unfruitful works of darkness, but rather reprove them. . . Wherefore he saith, Awake thou that sleepest, and arise from the dead, and Christ shall give thee light" (5:1,11,14).

Correlative citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Lulled by stupefying illusions, the world is asleep in the cradle of infancy, dreaming away the hours. Material sense does not unfold the facts of existence; but spiritual sense lifts human consciousness into eternal Truth" (p. 95).

The Women's Missionary Society and the members of the Circles of First Lutheran Church are holding a reception Sunday, April 8, at 5 p.m. to honor the new members of the church who have joined during the past year.

The invitation committee is made up of Mrs. Paul Wenske, Mrs. Stuart Phillips, Mrs. Clara Conner, Mrs. Olliver Minniear and Miss Emma Wenske.

Following the reception there will be a special vesper service beginning at 6:30. Miss Viola Olin, the Parish Worker, will be installed at this service.

Free Gym Class At Adult School

Three free gym classes, open to men and women, regardless of residence, are held each week in the gym of the Torrance High School, 2200 Carson Street.

The Monday night class, starting at 7 o'clock, is under Coach Welch and is for men alone. The Tuesday and Thursday classes also start at 7 o'clock and are conducted by Coach Cliff Graybehl.

A wide variety of subjects are treated in these courses, and the student is free to enter in any or all activities that he himself desires. Activities include basketball, badminton, weight lifting, calisthenics, and rhythm exercises. Should the students so desire, they may select any additional exercises, games, or physical activities tailored to their needs.

Many men and women, both young and middle aged, attend these classes to receive lectures on diet, development of their body, toning of their muscles, instruction in keeping fit, and free play designed to relieve emotional stresses. Others attend to join with people of their own choosing in socially acceptable games requiring little previous experience and skill.

Locker rooms, showers, and adequate gym facilities are available to all students. Special provision is made for those who must leave class to fit in with their bus or transportation or other personal schedules.

Van's Mattress, Upholstery to Open Here Mon.

Keeping in step with the mounting growth of Torrance by presenting services never before offered here, factory and sales room of the Van's Mattress and Upholstery company, 2083 Torrance Blvd., will be open for business Monday, April 9.

It has been estimated that the traffic injuries last year cost U.S. drivers the tremendous total of fifty million dollars in medical bills. This sum does not include losses due to death, time, or cost of insurance. Eliminate costly accidents, says the Los Angeles Police Department, by carefully observing all traffic regulations.

El Camino Library Construction To Begin In Summer

The library will cost \$450,000 if prices don't rise any higher than at present.

This semester the service drive between the Campus Center is to be widened for sidewalks and more diagonal parking. The stadium parking area is being extended and will be paved as far as the stadium turnstiles.

For Two Thousand Years

"My church inspires me to spiritual meditation and have greater reverence for the termination of my earthly existence," was the expression of a lady making her pre-need funeral arrangements.

The church has inspired mankind to follow the footsteps of Him who lead the way; its teachings have been like a lighted candle in a window, a beacon for untold millions to the haven of peace. In forest glade or under vaulted ceilings the word of Christ has been the light of life. The funeral service is the after-glow.

The concept of a Christian life includes Christian termination, an epilogue of him who has worked in His garden. It is fitting that you call Stone & Meyers, Torrance 195, arrange the epilogue your church decrees is right and proper.
